Team

Ram Interior believes customers are our most valuable asset. Our team of skilled employees & Experienced Vendors is committed to satisfy our customers by consistently going the extra mile in our services all time.

Through our innovative approach to fit-out, perfectionist MEP works and our commitment to excellence, we make the effort to build and maintain long term relationships with all whom we work with, and this is demonstrated through many of our long term clients who we have and continue to work with for many years.

We pride ourselves in providing the following key benefits:

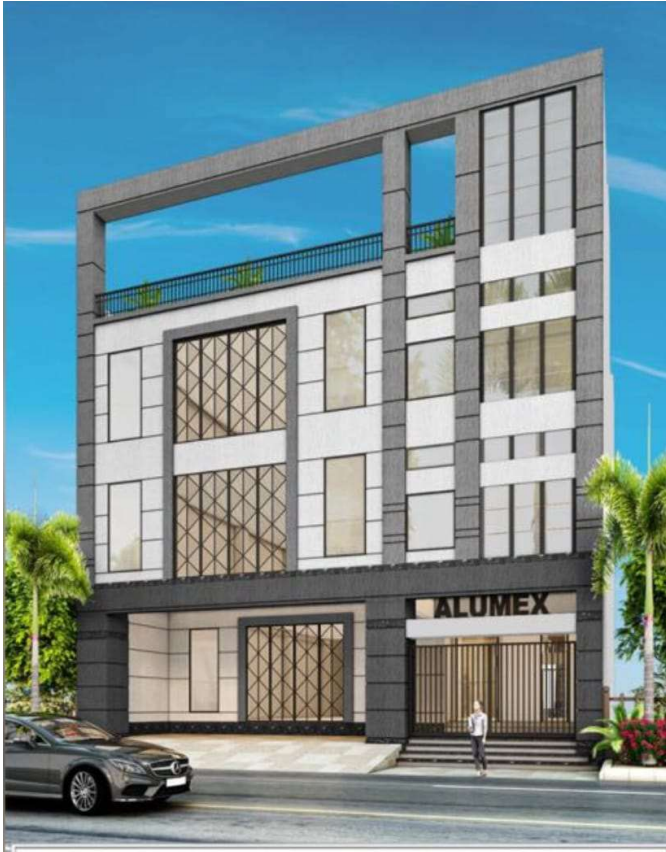

Planning: We establish early contact with the Client's team so that the Project is proactively planned in terms of technical delivery, advance coordination, and key stakeholder management. Allowing us to meet with the Technical Challenges, Quality Standards and Innovative Methods required for the successful completion. We are flexible to perform partial or full scope within a project, whatever the circumstances require, we are there from the planning stage onwards to give full support and expert delivery.

Single point of Contact: Ram interior serves as a single point of contact for our Clients, and each project will have dedicated and clear communication structure ensuring our clients are always able to have confidence in the dedication and communication ability of our assigned project delivery team. Our structure, experience and expert local knowledge ensures our clients feel comfortable in projects being delivered in the most effective way possible.
